CONVEYANCING

You've agreed to buy or sell a property: now you need to call in the experts. That's us.

SOMETHING MORE...

We consider our conveyancing service to be something rather special.

YOUR PERSONAL SOLICITOR

Unlike some of our competitors, all of our conveyancers are qualified solicitors with years' of experience in property sales and purchases.

Your dedicated solicitor will personally guide you through the conveyancing process from start to finish, ensuring that you have someone to answer your questions every step of the way.

THE PERSONAL TOUCH

Our service is bespoke. We answer the phone: we don't use call centres. We keep you up to date: we don't keep you hanging in limbo. Ultimately, we get to know you and aim to build a relationship with you that will last for years to come.

YOUR PERSONAL REPORT

We take our responsibilities very seriously. When buying a property, you need to know exactly what you're getting for your money.

Our property reports are as individual as you are: written in plain English, they will tell you everything you need to know about your new property.
